WHY Beautifier?

Life is Beautiful with Lantern Health & Beauty Lab

As a leading public traded Health and Beauty Manufacturer (Stock Code: 831118) since 1993 with exposures in the US, China, Canada and worldwide, Lantern Health & Beauty Lab Inc. has retained its passion in understanding customer's needs, knowing the target market, and providing sales and statistical advice within the industry. Our in-house laboratories provide the ability to improve your existing formulations, and further create additional formulations to meet not only your specific requirements in quality specifications, but in price point as well. With three major GMP production facilities, we are able to provide large quantities in short periods of time. We continue to dedicate ourselves to industry research, new product development, and trend forecasting.

Beautifier LLC is a comprehensive beauty & skincare research, manufacturing and distribution enterprise specializing in development of high quality ingredients, herbal plant extracts and natural cosmetics for personal hygiene and skin care.

ABOUT US

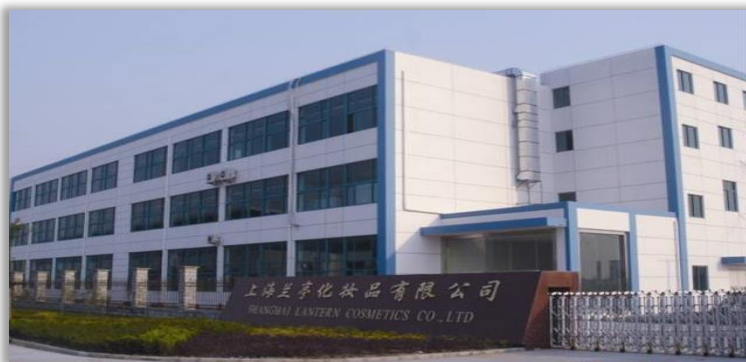

Beautifier, is a company dedicated to developing, manufacturing and distributing quality consumer based personal care products. As a company, we are committed to a higher calling of excellence and dedicated to quality, supply and support. Since its founding in 1993, Lantern Beauty, has grown to become the leading manufacturer of Health and Beauty Care products in the nation. We remain competitive in the industry because of our continued commitment to satisfying our customer's versatile needs.

We at Lantern Beauty, are dedicated to ensuring that we provide high quality ingredients that adapt to your ever changing needs. Lantern has established a global sales network serviced by distribution Center located in China, Canada, and USA for HBA category.

GMP AUDITED, ISO CERTIFIED MANUFACTURING FACILITIES
